# OFFSITE AWARDS 2026

The **OFFSITE CONSTRUCTION AWARDS** reward outstanding examples of prefabrication and factory-based construction methods, products, systems and disciplines that increasingly strive to develop a sustainable, streamlined and cost-effective way to deliver a better built environment.

This year, the OFFSITE CONSTRUCTION AWARDS have themselves been under construction. **We are proud to unveil a refreshed awards experience that will now take the form of a formal sit-down dinner with live entertainment**, creating a fitting stage on which to celebrate excellence. This evolution reflects our commitment to truly recognising and appreciating the outstanding innovation, quality and ambition demonstrated by the remarkable projects within the offsite construction sector. **By elevating the event, we aim to honour the achievements of the industry in a way that matches the scale and impact of its work.**

These Awards will recognise best practice and the accomplishments of ground-breaking projects. Why not sponsor a category and align your brand with the winners?

**Bespoke packages available on request/enquiry.**
